

# Travel Memories

**Not all who wander are lost! Reflect on past adventures.**

Print out maps of the world and pass them out to your residents along with a pen or marker. Ask your residents to think about all of the destinations that they have visited, or at least their favorites. Using the pen, have them mark each destination with a star.

Once everyone has completed their map, have them share it with the group. Encourage them to share stories from each trip along the way!
