

Name That Holiday Tune

Enjoy a jolly game involving classic holiday tunes!

Ask your residents to pick out their favorite winter-themed songs. Print out the lyrics and lead a sing-along with your residents. For the ultimate winter sing-along, pass out hot cocoa with marshmallows, enjoy a cozy fireplace projection on the television, and light pine-scented candles.

Example songs to use:

- Walking in a Winter Wonderland
- Let It Snow! Let It Snow! Let It Snow!
- Baby, It's Cold Outside
