

Group Book Club

A book is a gift you can open again and again.

Ask your residents to list their top 3 favorite books with a summary of why they enjoyed them. After they have completed their list, ask them to share their recommendations with the rest of the group.

Once everyone has shared, ask your residents to each pick a book they would like to read from someone's list. This activity is bound to spark conversation over similar interests in literature genres!

Reach out to join our daily live programming community!
